

1 I said, "No, let's go in."

2 I said, "Roy, let's go to the crossing."

3 The crossing was only about half a mile  
4 from us.

5 Q Okay.

6 A So, I told Frank Leone, the Engineer, I  
7 said, "Let's go to the crossing."

8 Q Okay.

9 A That's after he threw up.

10 Q Okay. Let me stop you. This is a  
11 December day?

12 A Uh huh.

13 Q What was the temperature?

14 A About 50, maybe. It was cool.

15 Q Yeah. The temperature was cool enough  
16 that you wouldn't expect him to be sweating  
17 excessively on a day like that, would you, you know,  
18 when he said, "I'm sweating"?

19 A Yeah. But he didn't say how much. He  
20 just said, "I'm sweating."

21 Q Well, I know. But what I'm saying is,  
22 you go out there and work right now, you're going to  
23 sweat because it's hot in East Texas?

24 A Yeah.

25 Q But on a December day, I mean, I know you
